Dear Joseph:

I remember the time vividly when you brought in executives from Ion Pictures to meet with Department Chair George Schaeffer and myself along with a donation of over \$50,000 to establish a film directing scholarship endowment. This was in 1989. What a wonderful and generous surprise that was!

The Ion Pictures Scholarship has grown to \$94,000 and earns approximately \$4,500 per year, rewarding excellence in our undergraduate film makers. We are deeply grateful for this generous support of our talented students.

Also in the last seventeen years, I've grown to value your friendship and patronage. We are grateful for your generosity, loyalty and optimism.

We wish you well and look forward to your next visit to UCLA.

Sincerely,
